SUBJECT: US Army Garrison Wiesbaden Command Policy Letter 32, Cancellation of Religious Support Activities due to Inclement Weather Policy

- c. Army in Europe Regulation 55-1, United States Army Motor Vehicle Operations on Public Roads, 24 Jun 2011.

2. Purpose: To apply the weather calls and safety measures of the USAG Wiesbaden Inclement Weather SOP to specific USAG Wiesbaden Religious Support Operations (RSO). The RSO conducts evening and weekend activities for the Wiesbaden community and during inclement weather requires a mechanism of alerting the community of road conditions that will cancel services for safety purposes.

3. Applicability: This policy applies to all military and Civilian personnel, including Family members residing in the USAG Wiesbaden community.

4. Policy: USAG Wiesbaden's goal is to ensure the safety of those attending Religious Support Activities (RSA) throughout the week and on weekends. When winter driving conditions present a hazard to evening and weekend services, those services will be cancelled.

- a. USAG Wiesbaden MP Desk monitors the 21<sup>st</sup> Weather Squadron forecast and warnings and assigns a color code of Green, Amber, Red or Black for road conditions.

(1) Sunday morning services will be cancelled if, at two hours prior to the regularly scheduled service, the road conditions are a Red or Black status.

(2) Evening RSA and services will be cancelled if the after school activities are cancelled or if road conditions at 1700 are at Red or Black status.
