MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: US Army Garrison Wiesbaden Command Policy Letter 13, Personal Issue of Lockers at the WAAF Physical Fitness Center

1. Purpose: To define and establish the United States Army Garrison (USAG) Wiesbaden Commander's policy on the issuing of lockers at the WAAF Physical Fitness Center.
2. Applicability: This policy applies to all patrons of the WAAF PFC.
3. The current standard operating procedure for personal issue lockers at the WAAF PFC is not viable because of the increase in population due to restructuring. The amount of lockers available in the men's and women's locker rooms cannot sustain the large volume of patron requests; therefore, it is necessary to discontinue this service and issue lockers on daily use basis only.
4. This policy is effective 4 August 2008.
5. This policy will be posted on the bulletin board of the WAAF PFC and incorporated into the fitness center standard operating procedure.
